

Building Sustainable Deeside

The Woodend Barn, Banchory, AB31 5ZU

Bancon Group

PHASE NRG

A two day event discussing sustainability issues facing developers and the community.

Wednesday is aimed at Business and Commercial Organisations; Thursday is aimed at Community groups and those interested in the sustainability of Banchory. In addition to a full programme of speakers, there will be an exhibitors area and refreshments available at the newly opened Buchanan's Bistro which specialises in organic and local produce. There will be opportunities to view the newly installed wood pellet boiler system.

Wednesday 21st April 2010
